

You have symptoms and are concerned you may have COVID-19. Now what?

This guidance does not apply to individuals who live, work, volunteer or are admitted in a highest risk setting*

*Highest risk settings include hospitals (including complex continuing care facilities and paramedic services) and congregate living settings, including Long-Term Care, retirement homes, First Nation elder care lodges, group homes, shelters, hospices and correctional institutions.

Note: Symptoms should not be related to any other known causes or conditions. See the [COVID-19 Reference Document for Symptoms](#) for more information
